This one is more up-to-date. Hopefully, we will have something complete by the end of the day.

Realized I didn't send you the most updated one I have. I am keeping on them and will have them by days end. I haven't heard anything from Ryans assistant yet.

Hi Forrest,

Kevin tells me you are almost done with the delegation bios. Can you send what you have completed so the U.S. Embassy can start plugging them in to their briefing materials? Turns out their due date for briefing materials to their bosses is today. We can send whatever is missing when you finish them later today.

Thanks, Mark
